

## Special Online Seminar on Infections in Megaprosthesis

### Tipps and Tricks, Facts and Myths

The PRO-IMPLANT special seminars focus on selected topics on challenging implant-associated infections. This seminar reviews the rational preventive, diagnostic and treatment concepts of infections involving megaprosthesis. An interdisciplinary faculty will present current evidence, practical tips and innovative solutions. The seminar is organized in cooperation with Implantcast and Heraeus Medical.

#### International faculty:

- Prof. Dr. Volker ALT (University Hospital Regensburg, Germany)
- Dr. Fabrice FIORENZA (Centre Hospitalier Universitaire Dupuytren, Limoges, France)
- Prof. Dr. Lee JEYS (Royal Orthopaedic Hospital, NHS Foundation Trust, Birmingham, UK)
- Assist. Prof. Dr. Andrej TRAMPUZ (Charité – Universitätsmedizin Berlin, Germany)

#### Wednesday, June 16<sup>th</sup>, 2021 from 6:00 – 8:00 pm (CET)

18.00 – 18.05	Welcome & Introduction	Faculty (5')
